Supplier

All items are available from our supplier, Border Embroideries: www.border-embroideries.co.uk/schools/rockcliffe-first-school

They often have discounts when you spend over a certain amount. It is recommended that you order before the summer holidays to ensure delivery before the start of term.

Non-school branded same-colour equivalents are more than acceptable to be worn in school and are available in most supermarkets or online retailers.

We also often hold Pre-loved Uniform sales in school where parents can give what they can in exchange for items.
